Rebecca Coates is a PhD Candidate in the School of Social Science, The University of Queensland. She holds a Bachelor of Arts in Sociology (Honours I). Rebecca's research interests are educational and occupational aspirations, migrant children, segmented assimilation and status attainment. Her doctoral thesis is titled 'Second Generation Australians' Future Aspirations: Towards understanding socioeconomic outcomes'. Focusing on children of migrants, Rebecca is investigating the role of generational status, ethnicity, social background and gender on the socioeconomic aspirations of 12-13 year old Australians.
